About the Association

Founded in 2003, the “Notre Dame College Association of Alumni and Friends” was established to provide all associated with Notre Dame College a means to stay connected. Though the physical buildings are gone, it is our hope that the memories and friendships fostered within their walls will last forever.

The Association will maintain an affiliation with the Congregation of the Sisters of Holy Cross (U.S. Region), and shall perpetuate the values espoused by the Congregation by promoting a spirit of service among its members in keeping with the mission and philosophy of Holy Cross.
